OHIO HIGH SCHOOL STATE HOCKEY CHAMPIONSHIP

For the eighth straight year, the Columbus Blue Jackets and Nationwide Arena will host the Ohio High School Athletic Association's state ice hockey tournament March 13 & 14, 2010. Semifinal games will be played on Saturday, with the state championship game taking place on Sunday.

One outstanding feature that sets Nationwide Arena apart as a premier sports and entertainment facility is the Dispatch Ice Haus, the practice rink attached to the main arena. The Blue Jackets hold the distinction as the first team in the National Hockey League to have its practice rink located at the same location where it plays its games. This unique configuration has since been used as a model for new NHL buildings.

The Dispatch Ice Haus is a 63,000-square foot facility located on the west side of Nationwide Arena. It contains four separate team locker rooms and one officials room. As the practice home of the Blue Jackets and the official home rink of the Ohio Junior Blue Jackets Tier 1 AAA hockey program and several Central Ohio high school teams, the Dispatch Ice Haus features fixed seating for 750 people and an overall capacity of 1,500.

In addition, the facility is also used for youth hockey, figure skating, public skating and private rentals. During Blue Jackets games, fans may check out the action within the Ice Haus from the open viewing areas located on the main concourse and inside the arena's pub.

In addition to the Dispatch Ice Haus in downtown Columbus, other facilities within the family of Chiller Ice Rinks include three suburban locations that each feature dual rinks – Chiller Dublin, Chiller Easton, and Chiller North. For more information on any of the Chiller Ice Rinks, visit www.thechiller.com.

In addition to being known as home of the Columbus Blue Jackets, Nationwide Arena is also the destination of choice by many of the nation's top-grossing touring acts. Last season's spectrum of entertainment offerings ranged from pop idols Miley Cyrus and the Jonas Brothers to legends like Billy Joel & Elton John and Fleetwood Mac. The debut of arena tours for Radio City Christmas Spectacular and Cirque du Soleil's Saltimbanco also rounded out the schedule.

Other highlights of last year's special events included first-time visits by Nickelback, the Steve Miller Band and New Kids On The Block. In addition, several acts including Trans-Siberian Orchestra, Dancing with the Stars, Cheetah Girls, Yanni and Keith Urban made return trips to Nationwide Arena.

Besides exciting NHL action and the hottest concerts, the arena also annually hosts a wide range of premier events including Professional Bull Riders, Sesame Street Live, Harlem Globetrotters, World Wrestling Entertainment, Monster Jam, Ringling Bros. and Barnum & Bailey Circus and Disney on Ice, just to name a few.

Another marquee attraction during 2009 was the third straight year of Ultimate Fighting Championship. After setting mixed martial arts records in March 2007 with UFC 68 The Uprising, Ultimate Fighting Championship has returned to Columbus with consecutive major pay-per-view events, UFC 82 Pride of a Champion in 2007 and UFC 96 Jackson vs. Jardine in 2008.

High school hockey action is also set for March 2010 as the Ohio High School Athletic Association (OHSAA) state ice hockey championships will be held at Nationwide Arena for the eighth consecutive year.

As a multipurpose sports and entertainment venue, Nationwide Arena holds the distinction as the first NHL building to have the team's practice facility attached to the arena where the team plays its games. In addition to serving as the Blue Jackets official practice facility, the Dispatch Ice Haus also offers hockey, public skating and is available for private rental. The Dispatch Ice Haus serves as home of the AAA Ohio Blue Jackets hockey program and several central Ohio high school teams.

Nationwide Arena is the centerpiece of the Arena District, a 75-acre dynamic, mixed-use development located in the heart of downtown Columbus. This entertainment district features a variety of restaurants, premier office space, exciting entertainment venues, residential space and acres of parks and green space. Together, the Arena District and Nationwide Arena provide a very inviting business and entertainment destination attracting residents, tenants and visitors from across the country. With its reputation as a "must play" venue for top touring acts, quality family entertainment and specialty sporting events, Nationwide Arena attracts an average of more than one million guests annually.

Nationwide Arena is an SMG-managed facility. Headquartered in the Philadelphia area, SMG provides facility services to more than 210 venues controlling over 1.5 million entertainment seats worldwide.

ROSS YATES

HEAD COACH

Ross Yates enters his fourth season as the head coach of the Syracuse Crunch and has led the club to an 120-92-28 record. The 2009-10 campaign will mark his 10th with the club as he served as assistant coach to current Blue Jackets assistant Gary Agnew from 2000-06.

Yates guided the Crunch to 40-32-8 record in 2008-09, which marked the club's sixth-straight season with a .500 record or better. That streak is the longest in the franchise's 15-year history. He led Syracuse to a 46-26-8 record in 2007-08, which was the second 100-point season in the franchise history (47-25-8, 102 points in 2005-06), after posting a 34-34-12 mark in his first season behind the bench in 2006-07. He came to Syracuse in 2000 after spending more than a decade as a player and coach in Europe. Prior to joining the Crunch, he served as the head coach of Hamburg, a member of the German Bundesliga League. He also held four other head coaching positions in Europe in the 1990's, including stints in Germany, Italy and Switzerland.

Yates began his playing career at Mount Allison University, where he was an All-Canadian selection in 1980. He signed with with Hartford in 1981 and went on to spend four years with the Whalers' AHL affiliate in Binghamton. In 1982-83, he tallied 41-84-125 and was named the AHL Most Valuable Player and The Hockey News Minor League Player of the Year. He earned AHL All-Star honors the next year and made his NHL debut with Hartford late in the season, collecting 1-1-2 in seven games. He was selected to the Binghamton Hockey Hall of Fame during the 2002-03 season. A Montreal native, he and his wife, Laurie, are the parents of daughter, Jennifer, and sons, Patrick and Trevor.

Blue Jackets fans have a choice of two convenient FOX Sports Ohio Blue Line locations to shop for official team merchandise. The flagship store at Nationwide Arena is joined by a suburban location inside The Mall at Tuttle Crossing. Both feature a wide array of official Blue Jackets and National Hockey League merchandise.

Fans can shop for jerseys, hats, T-shirts, fleece, outerwear and much more, including a full line of Center Ice apparel from Reebok, the official supplier of the NHL. The Reebok Premier and EDGE Jerseys are available in adult, youth and women's styles and may be personalized with custom name and number in just minutes.

An exclusive collection of game worn jerseys, game used equipment and other autographed memorabilia can also be found at both stores. More unique offerings include a line of Blue Jackets golf items including golf bags, golf balls and hockey stick putters.

As an added convenience for shoppers at the Tuttle Crossing location, the suburban store serves as an official outlet where customers may buy tickets for Blue Jackets and most special events held at Nationwide Arena.

2005-06 SEASON NOTES

- Completed their fifth season in the National Hockey League with a 35-43-4 record (74 pts.), finishing third in the Central Division, 13th in the Western Conference and 25th in the NHL.
- Set franchise records for wins, home wins (23), road wins (12) and points in a season.
- Club won a franchise record six consecutive games from Mar. 24-Apr. 3 (3-2 vs. Calgary on Mar. 24; 5-4 at Detroit on Mar. 25; 4-1 vs. San Jose on Mar. 28; 4-2 at St. Louis on Mar. 31; 5-2 vs. Chicago on Apr. 1; 3-1 at Nashville on Mar. 3).
- Scored 10 shorthanded goals, which ranked 14th-T in the NHL. The club scored six goals at home (10th-T in NHL) and four on the road (16th-T in NHL). The 10 goals are the second-most in club history (12 in 2002-03), while the six scored at home are a new club record (4 in 2002-03).
- Were 14-4 in games decided in overtime (6-1) or a shootout (8-3), leading the NHL in winning percentage (.777) and ranking second in OT/SO wins (Dallas, 15). The club was 8-0 at home, the only team in NHL without a OT/SO loss at home, while the six wins in overtime tied the club record set in 2003-04.
- The Blue Jackets were the best team in the NHL in games decided in overtime or shootouts since Jan. 1, 2004, posting a record of 20-0-9 and a winning percentage of .845.
- Completed the first half of 2005-06 with a record of 12-27-2 (26 pts.) and were 8-11-0 at home and 4-16-2 on the road. Over the second half of the season, the club posted a 23-16-2 mark (48 pts.) and was 15-7-0 at home and 8-9-2 on the road. In the second half, Columbus ranked eighth in the NHL and fifth-T in the Western Conference in wins (Detroit – 30) and 14th and eighth, respectively, in points (Detroit – 65).
- The Blue Jackets ranked third in the NHL by earning 21 points in games in which they trailed after two periods (9 wins, 3 SO losses), trailing only Dallas (27, 12-3) and Edmonton (22, 9-4). The club won nine games when trailing after two periods this season, which is more than in the club's first four seasons combined (six).
- Left wing Rick Nash tallied 31 goals and led the club in goals for the second-straight season, despite missing 28 games due to injury. He improved his plus/minus rating by 40 from 2003-04 (-35 to 5). He had 1-1-2 vs. Chicago on Apr. 15 to become the first player since 2000-01 (Mario Lemieux, 35 goals in 43 games), and just the fifth in the last 10 years, to record 30 goals in a season when playing in fewer than 60 games. Collected his first career hat trick at Detroit on Apr. 7.

2003-04 SEASON NOTES

- Posted a 25-45-8-4 record (62 pts.) in their fourth NHL season, finishing fourth in the Central Division, 14th in the Western Conference and 27th in the under head coaches Doug MacLean and Gerard Gallant. Gallant took over as interim head coach on Jan. 1 and led club to a 16-24-4-1 record, including a season-high and club record-tying four consecutive wins from Mar. 21-27.

- The Blue Jackets successfully killed off 287-of-337 opponent power plays for an 85.2 percent penalty killing percentage, which ranked ninth in the NHL and was the second-highest in club history. Columbus killed off 134-of-152 at home (88.2 pct./4th in NHL) and 153-of-185 on the road (82.7 pct./17th in NHL). The club finished the season by killing off 68-of-73 (93.2 pct.) over the final 17 games.

- The Blue Jackets dressed 12 different players who were born in the 1980s with those players accounting for 43.5 percent of the club's goals (77-of-177). Columbus dressed all four of its first round draft picks – D Rostislav Klesla (2000), G Pascal Leclaire (2001), LW Rick Nash (2002) and RW Nikolai Zherdev (2003) – for the first time vs. San Jose on Dec. 31 and all four played in their first game together at Phoenix on Feb. 20.

- Left wing Rick Nash won the Rocket Richard trophy as the NHL's leading goal scorer (41 – tied with Atlanta's Ilya Kovalchuk and Calgary's Jarome Iginla), becoming the youngest player in NHL history to lead the league in goal scoring. The 19-year-old finished the season with 41-16-57 in 80 games and also led the NHL with a team-record 19 power play goals. He was the first teenager to play in the All-Star Game since Quebec's Owen Nolan (19 years, 340 days) and Pittsburgh's Jaromir Jagr (19 years, 337 days) in 1992.

- Right wing Nikolai Zherdev made his Blue Jackets debut on Dec. 2 and went on to tally 13-21-34 and 54 PIM in 57 games. He ranked in the top 10 among NHL rookies in points per game (3rd, 0.60), assists (5th), points (T-6th), power play goals (T-6th), shots (T-6th, 137) and goals (T-9th) and had 1-1-2 in the YoungStars Game as part of the NHL's All-Star Weekend.

- Right wing David Vyborny led the club with four shorthanded goals, which tied for fourth in the NHL and established a new club record (Mike Sillinger – 3, 2002-03). He set career marks to finish second on the club in goals and points with 22-31-53 in 82 games. He led the club in assists and was the only player to compete in every game, extending his consecutive games played streak to 162. He notched his first career hat trick Nov. 7 vs. Atlanta, tied a team record with five points (1-4-5) Feb. 28 vs. Colorado and was named the NHL Player of Week (Feb. 23-29).

- Goaltender Marc Denis went 21-36-7 with a 2.56 goals-against average, .918 save percentage and five shutouts in 2003-04, tying his career high and the franchise record for shutouts in a season. He also set a career high in save percentage, eclipsing his previous best of .917 in 1999-00 with Colorado.

2000-01 SEASON NOTES

- Posted a 28-39-9-6 record (71 pts.), under head coach Dave King, to become just the third expansion team to surpass 70 points, excluding the original expansion class of 1967-68 when the league doubled from six to 12 teams.
- The Blue Jackets were a .500 team over the final 55 games, going 21-21-8-5. Beginning with a 3-0 win over Minnesota on Jan. 15, the Blue Jackets earned at least a point in 24 of their last 37 games to post a 15-13-5-4 record (.527 winning percentage).
- With consecutive wins over San Jose (Nov. 9, 5-2), Phoenix (Nov. 11, 2-1), Dallas (Nov. 14, 3-2) and at Nashville (Nov. 16, 5-1), the Blue Jackets tied the NHL record for consecutive wins by an expansion team.
- The Blue Jackets went 4-0-2-2 in a stretch of eight games from Jan. 15 to Feb. 6 to register the second-best point-earned streak in NHL expansion history. Only Florida's nine-game streak was better as the Panthers went 5-0-4 from Jan. 15-30, 1994.
- Goaltender Ron Tugnutt went 22-25-5 with a 2.44 GAA and .917 SV% in 53 games and set an NHL record for the most wins by a goaltender on an expansion team. In addition, his four shutouts ranked fifth all-time among goaltenders on an expansion team and were the most by a netminder on a first-year club since 1967-68.
- Despite missing the season's final 13 games due to a knee injury, left wing Geoff Sanderson became just the third player to score 30 goals with his expansion team since 1991-92. He tallied 30-26-56 in 68 games, including the first hat trick in Blue Jackets history vs. Nashville on February 10, 2001.
- Center Espen Knutsen set a club record for points and assists in a game with five assists vs. Calgary on March 24 and set a club record by collecting a point in seven-straight games from Feb. 17 to Mar. 1 (3-7-10).
- Right wing David Vyborny became the first player in NHL history to score on more than one penalty shot as a rookie when he beat Chicago's Rob Tallas on Oct. 15 and Nashville's Tomas Vokoun at home on Mar. 19. He was also the only player in the NHL to score twice on penalty shots during the 2000-01 season.

COLUMBUS BLUE JACKETS

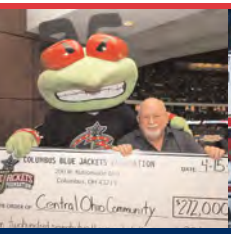
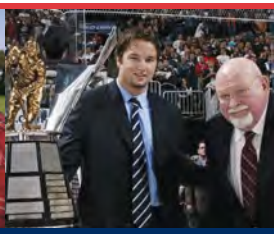
HISTORY

JOHN H. McCONNELL





John H. McConnell was the Columbus Blue Jackets' majority owner, chairman and governor. A highly respected business leader, philanthropist and founder of Worthington Industries, he passed away on April 25, 2008 at the age of 84.

Mr. McConnell was born on May 10, 1923, in Pughtown, West Virgina The son of a steel worker, he grew up during the Great Depression. He served aboard the U.S.S. Saratoga during World War II and married his high school sweetheart, Peggy Rardin, upon discharge from the Navy. He then used the GI Bill to enter Michigan State University, where he studied business and played football.

While working for Weirton Steel Corp., Mr. McConnell identified a niche in the industry for custom steel processing services. He used his 1952 Oldsmobile as collateral for a loan and, in 1955, launched Worthington Industries and the steel processing industry. Today, the company he founded in Columbus is traded on the New York Stock Exchange and employs 4,500 people in 61 facilities in 10 countries. It has annual sales of approximately $2.6 billion.

He served as chairman until 1996 and retired from the board in 2002. Although he stepped down from a formal leadership role in the company, Mr. McConnell's leadership style, which has been included in the business curriculum at Harvard University and praised by management guru Tom Peters, still drives the company's culture. That philosophy, based on the Golden Rule: "We treat our customers, employees, investors and suppliers as we would like to be treated," is the subject of Mr. McConnell's 2004 book, "Our Golden Rule."

Through his humanitarian and community efforts, Mr. McConnell became widely recognized as one of Columbus' most generous citizens. His charitable contributions led to the McConnell Heart Hospital at Riverside Hospital, which provides treatment and prevention services for heart-related illnesses. The more than $15 million donation to develop the hospital was the largest gift ever received by Riverside Hospital or its parent company, OhioHealth.

In 1997, Mr. McConnell led a group of investors to bring the National Hockey League to Columbus. The Blue Jackets played their first game in October 2000. The arrival of the team brought an influx of development and community pride to Columbus. Before the team even took the ice, he made sure the Blue Jackets organization would serve its community in other ways, too. The Columbus Blue Jackets Foundation was established in March of 2000 to help improve the quality of life throughout central Ohio.

Mr. McConnell also was one of the early investors in the Columbus Crew Major League Soccer franchise and previously was a minority owner of the Pittsburgh Pirates baseball club.

Through his work ethic, business acumen, philanthropy, sense of community and genuine desire to do the right thing for his customers, employees and community, Mr. McConnell established himself as a leader, not only in Columbus, but also throughout the steel industry and the business world.

In September 2008, Mr. McConnell posthumously received from the United States Navy Memorial the Lone Sailor Award, "which is given to Sea Service veterans who have excelled with distinction in their respective careers while exemplifying the core values of Honor, Courage and Commitment." He had previously been named Chief Executive Officer of the Year by Financial World magazine, while Industry Week magazine recognized him for Excellence in Management. He was the recipient of the Horatio Alger Award and the National Football Foundation Gold Medal Award. He received the 33rd degree Scottish Rite Mason, the Ohio Governor's Award and the Michigan State University Outstanding Alumni Award. He was inducted into the Junior Achievement National Business Hall of Fame, the Central Ohio Business Hall of Fame and the Columbus Hall of Fame.

HISTORY BEHIND THE NAME

The Blue Jackets name pays homage to Ohio's contributions to American history and the great pride and patriotism exhibited by its citizens, especially during the Civil War as both the state of Ohio and the city of Columbus were significantly influential on the Union Army. Ohio contributed more of its population to the Union Army than any other state, while many of the uniforms worn by the Union soldiers were manufactured in Columbus.

THE COLORS

The Blue Jackets colors help define the team and tell our story. The Blue Jackets colors consist of Union Blue, Goal Red and Capital Silver. Union Blue represents the color worn by the Union Army, Goal Red references the most exciting moment in hockey and Capital Silver is reflected in the star of the logo which signifies Columbus as the capital of Ohio.

THE LOGOS

PRIMARY LOGO

Blue Jackets Primary Logo: The club's primary logo is inspired by the state flag of Ohio, with its unique pennant shape, red, white and blue colors and white stars, in the shape of the letter C. That image overlays the familiar Blue Jackets' star. The official state flag of Ohio, called the "Ohio burgee," is based upon the pennant used by the Ohio cavalry from 1862-65. Ohio's is the only American state flag that is not shaped in a rectangle.

SECONDARY LOGO

Blue Jackets Secondary Logo: The Blue Jackets secondary logo was introduced in 2003. The mark contains a blue Union Army cap that features two crossed hockey sticks. The cap, inspired by those worn by soldiers during the Civil War, lies on a red with white trim background surrounded by a blue with silver trim oval containing two stars anchoring the words "Columbus Blue Jackets."

Before moving to Columbus, Davis spent eight years at Joe Louis Arena in Detroit. ORDER OF SELECTION FOR 2010 ENTRY DRAFT

The NHL's annual Draft Drawing is a weighted lottery system to determine the order of selection for the first 14 picks of the 2010 Entry Draft. The 14 teams that did not qualify for the Stanley Cup Playoffs, or clubs that acquired those clubs' 2010 first-round draft picks, participate in the Drawing. The Club selected in the drawing may not move up more than four positions in the draft order, thus only the five Clubs with the fewest regular-season points have the opportunity to receive the first overall selection. No Club can move down more than one position as a result of the Draft Drawing.

In the first round of the 2010 Entry Draft, the order of selection is as follows:

a) The first 14 selections, as determined by the Draft Drawing (see above);
b) Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;
c) Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;
d) Clubs eliminated in the 2010 Conference Finals, in inverse order of points;
e) Stanley Cup finalist
f) Stanley Cup champion

In the second and subsequent rounds the order of selection is as follows:

a) Non-playoff clubs in inverse order of points;
b) Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;
c) Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;

ENTRY LEVEL PLAYERS

1. Players 18 through 21 years of age when signing their first contract must remain in the entry-level system for a period of three years; players age 22 and 23 when signing their first contract are in the entry level system for two years; while those age 24 when signing their first contract are in the entry level system for one year. Age is defined as the player's age on September 15 of the calendar year in which he signs the contract, regardless of his actual age on the date he signs such contract.

2. In the event that a signed 18 or 19-year-old player does not play a minimum of 10 NHL games (regular season and/or playoffs) in his first season under contract, the term of his player contract and his number of years in the entry level system will be extended for a period of one year. The exception to this is a 19-year-old player who turns 20 years of age between September 16 and December 31 in his first contract year.

3. In the event that a player signs his first contract at age 18 and has had his Player Contract extended for one season already, and such player does not play at least 10 NHL games (regular season and/or playoffs) in the second season under that player's Player Contract, then the term of his Player Contract and his number of years in the Entry Level System shall be extended for one additional year.

23-MAN ROSTER

There may be a maximum of 23 players on each Club's playing roster at any one time from the commencement of the NHL regular season through the trade deadline. Prior to the start of the season, each Club must submit to the NHL its "Opening Day Playing Roster" which shall be comprised of not more than 23 players. Each Club must have a roster of at least 20 players, composed of 18 skaters and two goaltenders. Players on Injured Reserve do not count in the 23-Man Roster limit.

INJURED RESERVE LIST

In the event that a player is injured and a Club wishes to place him on the Injured Reserve List, the Club must follow these procedures.

1. A Club may place a player on the injured reserve list if such player is injured, disabled or ill and unable to perform his duties as a hockey player after having passed the Club's initial physical examination in that season.
2. A player who has an injury that renders him physically unable to play for a minimum of seven days after that date of the injury can be placed on the Club's Injured Reserve List. Once a player is placed on the injured reserve, the Club may replace said player on its NHL roster with another player. All determinations that a player has suffered an injury warranting injured reserve status must be made by the Club's medical staff and in accordance with the Club's medical standards.
3. A player placed on Injured Reserve is ineligible to compete in NHL games for a period of not less than seven days from the date of injury.
4. Players on Injured Reserve may attend Club meetings and meals, travel with the Club and participate in practice sessions.
5. Players on Injured Reserve are prohibited from appearing in games, participating in pre-game warm-ups with their Clubs, or dressing in game uniforms on game days.

REGULAR SEASON WAIVERS

For purposes of Regular Waivers and Re-Entry Waivers, the five (5) year exemption for an 18 year old skater and the four (4) year exemption for a 19-year-old skater shall both be reduced to three (3) years commencing the first season that the 18 or 19 year old skater plays in eleven (11) NHL Games or more. The next two (2) seasons, regardless of whether the skater plays any NHL Games in either season, shall count as the second and third years toward satisfying the exemption. For purposes of Regular Waivers and Re-Entry Waivers, the six (6) year exemption for an 18 year old goalie and the five (5) year exemption for a 19-year-old goalie shall both be reduced to four (4) years commencing the first season that the 18 or 19 year old goalie plays in eleven (11) NHL Games or more. The next three (3) seasons, regardless of whether the goalie plays any NHL Games in any of those three (3) seasons, shall count as the next three (3) years toward satisfying the exemption.

The first season in which a Player who is age 20 or older plays in one (1) or more Professional Games shall constitute the first year for calculating the number of years he is exempt from Regular Waivers and Re-Entry Waivers.

A Player 25, years old or older who plays in one (1) or more Professional Games in any season shall be exempt from Regular Waivers and Re-Entry Waivers for the remainder of that season.

TIE-BREAKING PROCEDURES

At the conclusion of the regular season, the standing of the teams in each Conference shall be determined in accordance with the following priorities in the order listed:

a) First place in each of the three (3) divisions seeded 1, 2, and 3.
b) The higher number of points earned by the Club.
c) The greater number of games won by the Club.
d) The higher number of points earned in games against each other among two (2) or more Clubs having equal standing under priority (b) and (c) **
e) The greater differential between goals scored for and against by Clubs having equal standing under priority (d).

** NOTE: For the purpose of determining standing under priority (d) for two or more tied Clubs that have not played an even number of games with one or more of the other tied Clubs, the first game played in the city that has the extra game (the “odd game”) shall not be included. When more than two Clubs are tied, the percentage of available points earned in games among each other (and not including any “odd games”) shall be used to determine standing.

ASSIST
An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.

GAME PLAYED
A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.

GAME-WINNING GOAL
After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

GOAL
A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.

GOALS-AGAINST AVERAGE
Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

GOALTENDER
A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

PENALTY-KILLING PERCENTAGE
Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.

PLUS-MINUS
A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthand goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.

POWER-PLAY GOAL
A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play goal:

- if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power-play goal.
- if a Club scores on a delayed penalty, the goal is not a power-play goal.
- if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.
- if a Club is on a power-play for any length of time, it is considered to have had an advantage.
- if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.

POWER-PLAY PERCENTAGE
Total number of power-play goals divided by total number of power-play opportunities.

SAVE PERCENTAGE
Subtract goals allowed (GA) from shots-against (SA) to determine saves. Then divide saves by shots-against.

SHOOTING PERCENTAGE
Divide the number of goals scored by the number of shots taken.

SHORTHAND GOAL
A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthanded as for power-play goals, but in the opposite manner.

SHOT ON GOAL
If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

SHUTOUT
If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.

TENTHS OF A SECOND
If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48).

COACHES RECORD
A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

TIE-BREAKING FORMULA
In the event that two or more Clubs are tied for total points, the order of standing and draft order is determined as follows:

- The Club with the most victories will be placed higher in the standings.
- If Clubs remain tied, the Club earning the most points from the year's head-to-head competition will be placed higher in the standings. In the event an uneven number of home games against on another was played, the first game that created the disparity is discounted. Where more than two Clubs are tied in victories and points, the Club having the greatest percentage of available points earned among each other will be placed higher in the standings. If Club remain tied, each Club's "Goals Allowed" are subtracted from its "Goals For" during the entire regular season. The Club with the greater differential will be placed higher in the standings.

** NOTE: No individual skater/goaltender statistics apply for the shootout
